

# Stand-Bot

*Asynchronous Stand-ups in Slack*

## Team Status

5/5 | **Status given**

**Channel:**#202-spartan-marshals

April 20, 2019

## GENERAL STATUS

# Priya Khadke

## What I accomplished since my last stand-up:

I am still working on setting up the player win event using observer. Yesterday I got few icons to be used as lucky powers.

### What I am working on today:

I will continue to work on Treasure story and start with displaying the powers . I will coordinate with team to get the lucky power locations

# Karthika Arumugam

### What I accomplished since my last stand-up:

I have worked on making the background thin by not having multiple images of big sizes , since it will create green foot Java out of heap space error. I have updated task sheet as per my participation in tasks

**What I am working on today:**

I am going to work on moving the background left to right continuously till the player moves in the world.

## Anushree Menon

### What I accomplished since my last stand-up:

I worked on my task for scoreboard component and updated the journal

### What I am working on today:

I will continue working on the implementation of scoreboard and will update the sprint sheet

## Priya Yadav

### What I accomplished since my last stand-up:

I worked against the user story#3- Task enemy should move in the screen

### What I am working on today:

I will work on Task5 Negative power should appear and disappear in the screen

## Sai Prithipa Ram Mohan

### What I accomplished since my last stand-up:

I was working on User Story 2: Displaying the player component in the game screen  
Working on the task in displaying the player in the screen  
Used Sprite sheet to add player  
Used Adobe to animate the player

### What I am working on today:

I will continuing on the same user story 2 : 2-Displaying the player component in the game screen
