GENERAL STATUS

Sai Prithipa Ram Mohan

What I accomplished since my last stand-up:

I was working on the demo version of the game application to provide a final package with player integrated with all the components

I was working on ad video (Adobe Premier Pro Learning and then video making)

I was working on player label to be displayed on the screen

What I am working on today:

I will be working on ad video
I will be updating more flows to the sequence diagram and add new class diagram with white color background

Karthika Arumugam

What I accomplished since my last stand-up:

I have created Use Case diagram and started moving our project UMLs with team members.

What I am working on today:

We will be working as to team to make everything ready for demo deck today

I will be working on providing the final package with final integration
I will be working on my journal
I need to set up the kanban board updates

Priya Yadav

What I accomplished since my last stand-up:

Completed the Class Diagram for Rival(Enemy) Actor.

What I am working on today:

I drawing activity diagram for complete Project.

Priya Khadke

What I accomplished since my last stand-up:

With help of teammate I got to fix the issue for coins not reappearing. With this code fix, the integration code was completed. Yesterday I also fixed the issue for burndown chart. Team should be able to see the burndown chart on task sheet. I also completed the individual class diagram for treasure/lucky charm

What I am working on today:

I plan to work with team on the demo preparation and practice the demo version.

Anushree Menon

What I accomplished since my last stand-up:

Worked on class diagram for the entire project . Tested the final version

What I am working on today:

Finishing the documentation part and updating the small changes in class diagram
