

### Team Status

5/5 | Status given

Channel:#202-spartan-marshals

April 23, 2019

**GENERAL STATUS** 

# Karthika Arumugam

What I accomplished since my last standup:

I worked on adding sound component for the Game BackGround. I also worked on adding BackGround for the Game start SCreen, Help, Play and Quit Buttons.

#### What I am working on today:

I will continue to work on Sound component for the game and composite component implementation for World Background and Actors.

# What I accomplished since my last standup:

I was working on the task to handle the hitting of the opponent against the user story 2: Displaying the player component in the game screen. I was working on the standbot reports configuration and consolidation

#### What I am working on today:

I was working on the task to handle the hitting of the opponent against the user story 2: Displaying the player component in the game screen. I was working on the standbot reports configuration and consolidation

# **Anushree Menon**

### What I accomplished since my last standup:

Worked on the scoreboard component to increase the score based on actors movement and the value gets stored in the component

#### What I am working on today:

Will be working on rest of the task of my user stories

# Priya Khadke

### What I accomplished since my last standup:

Sample coin movement tested on greenfoot

#### What I am working on today:

Complete the display of Powers on intervals

#### What I accomplished since my last stand-up:

I have completed the task 4, enemy is able to move toward the player using observer pattern

#### What I am working on today:

Enemy health should decrease if player attacks on the enemy
