GENERAL STATUS ⌃

Karthika Arumugam

What I accomplished since my last stand-up:

I did high level design mock up of our game and also did research on various features supported in Green foot to enhance our game features .
I updated our Team Read Me with Project Details and our Branch repo links and Sprint Task sheet Link and committed in master.

What I am working on today:

I will be working on Detailed Mock up and implementing level 1 of game as per my sprint Task

Sai Prithipa Ram Mohan

🚫 **BLOCKED**

What I accomplished since my last stand-up:

Hello Team,
I was working on the preparation of User Stories yesterday, on specific project ideas, setting up scrum board in the team drive
I will be working on starting with my tasks based on user stories - implementation and mockups for my component
I don't have any major blockers, only thing I'm blocked with is in common, we need to finalize on individual components after which I can kick start on development.
Thanks!

What I am working on today:

I will be working on starting with my tasks based on user stories - implementation and mockups for my component

Blockers:

I don't have any major blockers, only thing I'm blocked with is in common, we need to finalize on individual components after which I can kick start on development.

Priya Yadav

What I accomplished since my last stand-up:

Hello Team,
I was working on the mockup UI for the game. Exploring the ideas what should be the different levels in the game. Simultaneously working on collecting data for creating of ad video for the game.

What I am working on today:

Simultaneously working on collecting data for creating of ad video for the game.

Priya Khadke

⊘ **BLOCKED**

What I accomplished since my last stand-up:

Yesterday I drafted few of the sprint tasks and prepared the sprint task sheet for the team. Drafted the UI mockup for the game. Also attempted to set up droidfoot to check Greenfoot mobile app feasibility .

What I am working on today:

Today I plan to complete the Droidfoot setup and select the user story to start with.

Blockers:

Blocker - No major blockers for now. Need user story to start with.

user story to start with.

Anushree Menon

What I accomplished since my last stand-up:

Hi All,
I worked with Priya on updating the sprint task sheet for the team and discussed on how to work towards the design plan for game screens.
Today i will be working on designing the screen for the game .
No blockers for now. Will be researching on the implementation steps

What I am working on today:

Today i will be working on designing the screen for the game .
